PUBLIC RECORD: NOTICE OF CERTIFIED SYSTEMIC DEFAULT

DATE: June 5, 2026

SUBJECT: Certification of Systemic Default and Regulatory Complicity

I. STATEMENT OF STANDING

I, Marcus Garfield McMillian, hereby assert standing as a verified fiduciary and party of record.

Verified Fiduciary Standing: Standing is established via the Amended Certificate of Interested Persons (CIP) filed within the 11th Circuit. This document confirms my status as a party of record and my authority to oversee the reconciliation of subject assets.

- **ATTACHMENT A - Amended CIP (Doc. 13)**

II. NOTICE OF FACT

This document serves as formal notice of a systemic "mature default" involving Morgan Stanley as the primary asset liability. This default is not an isolated accounting error; it is a systemic breach maintained through the coordinated obstruction of the Office of the Comptroller of the Currency (OCC) and the Depository Trust & Clearing Corporation (DTC). These entities are parties to the underlying litigation and are currently in default of their ministerial duties regarding the subject assets. This status creates an inherent conflict of interest that necessitates the concealment of this systemic breach.

Notice of Ministerial Default: Notice is further given regarding the administrative and ministerial default of the Clerk's Office. Following the formal filing of the Motion for Entry of Default and the verified Affidavit of Sum Certain on March 10, 2026, the Clerk failed to execute the non-discretionary, ministerial duty to enter default into the public record. This failure creates an unauthorized administrative gap and record inconsistency, constituting administrative obstruction of a mandatory ministerial process.

III. CERTIFIED EVIDENCE OF RECORD

A. Proof of Default

The audit data confirms a structural mature default regarding the subject asset portfolio. The ledger discrepancy constitutes a mathematical certainty of non-performance.

- **ATTACHMENT B - Audit/Ledger Reconciliation (Doc. 18)**

B. Service Record (Notice of Default)

The relevant institutions and regulatory bodies– including the Office of the Inspector General (OIG), the OCC, and the DTC—have been formally served notice of this discrepancy and are in possession of this forensic audit record. Service is evidenced by the following transmission logs and receipt confirmations.

- **ATTACHMENT C - Timestamped Proof of Service (Doc. 18 Pgs. 8-17)**

C. Timeline of Debt Maturity

The timeline of the maturity and subsequent default of the debt obligation is as follows:

- **1992:** Original maturity trigger point upon the beneficiary reaching the eighteenth birthday, shifting the institution's role to a ministerial duty of asset turnover.
- **August 10, 2022:** Formal Notice of Claim of Title and Conversion perfected and served to the Depository Trust Company (DTC).
- **June 4, 2024:** Administrative Notice of unauthorized credit use formally served to regulatory oversight bodies (OCC/DTC).
- **January 30, 2026:** Emergency Mandated Asset Draw and formal Notice of Final Opportunity to Cure served to Morgan Stanley.
- **February 9, 2026:** Expiration of the administrative cure window, rendering the institutional default terminal and absolute.
- **February 12, 2026:** Final Accounting Demand and Notice of Entire Estate Reversion served to Morgan Stanley portals.
- **March 10, 2026:** Motion for Entry of Default and Verified Affidavit of Sum Certain filed with the District Court Clerk.
- **March 19, 2026:** Notice to the Court of Ministerial Default and Record Inconsistency filed, documenting the Clerk's failure to enter the default. **Attachment D (Doc. 21)**
- **June 5, 2026:** Current date of continued default, administrative gap, and documented concealment.

IV. CONCLUSION

The regulators and the institutions are formally aware of these facts. The current operational status of these accounts constitutes willful concealment of a mature default.

This record is now public. The contradiction between the collective public statements of these institutions and the mathematical reality of this systemic default is documented herein. Any failure to reconcile this ledger at this stage is prima facie evidence of bad faith and ongoing obstruction.

UNITED STATES DISTRICT COURT

NORTHERN DISTRICT OF GEORGIA

ATLANTA DIVISION

Marcus Garfield McMillian,

Appellant,

v.

Internal Revenue Service,

Appellee.

CASE NO: 1:25-cv-06135-JPB

SUPPLEMENTAL DECLARATION OF FACT IN SUPPORT OF REVERSION AND WRIT OF EXECUTION

I.ORIGIN AND VESTING OF THE ESTATE (1992)

The assets associated with this matter vested in the beneficiary upon the eighteenth birthday in 1992. Upon vesting, the role of the holding institution shifted by operation of law from custodial management to a ministerial duty of turnover.

II. ADMINISTRATIVE NOTICES (DTC 2022 & OCC 2024)

Formal Notice of Claim of Title was perfected via the Depository Trust Company (DTC) on August 10, 2022, and subsequent Administrative Notice was provided to the Comptroller of the Currency (OCC) on June 4, 2024, to record the administrative interference and unauthorized use of estate credit (Exhibit A-1 – A-3).

III. CERTIFICATION OF TERMINAL DEFAULT

On January 30, 2026, the Successor Fiduciary provided a formal Notice of Final Opportunity to Cure, establishing a window for the ministerial turnover of assets which expired on February 9, 2026, rendering the default terminal (Exhibit B). I hereby certify that the default of the holding

institutions are terminal, absolute, and remains unrebutted.

IV. LIQUIDATION OF THE SUM CERTAIN ($24,360,535.43)

Pursuant to the Final Accounting Demand served on February 12, 2026, which remains unrebutted, the Fiduciary identifies a Sum Certain of $24,360,535.43 as the immediate principal floor and market-corrected conversion gap for which an immediate Rule 69 Writ of Execution is sought (Exhibit B-1).

V. RULE 69 WRIT OF EXECUTION

The Fiduciary moves for the immediate issuance of a Writ of Execution under Fed. R. Civ. P. 69 to facilitate the mechanical recovery of the Sum Certain and ensure the involuntary turnover of validated estate assets.

VI. HOLDING INSTITUTIONS

Institutions currently holding estate assets or recoveries are ministerial custodians whose discretionary authority has been superseded by the perfected mandate of the court, maintaining only a non-discretionary duty of turnover.

VII. CONCLUSION

The Fiduciary moves for the immediate issuance of a Rule 69 Writ of Execution for the Sum Certain of $24,360,535.43 as the primary floor of the estate, without prejudice to the accounting and recovery of the residual assets.

I declare under penalty of perjury that the foregoing is true and correct.

Dated: February 26, 2026 -Marcus McMillian

To whom it may concern, On or about June 3rd, 2024 extension of credit was sent to SoFi when I applied and denied a loan on your website. Adverse action against a consumer is against the law according to Equal Credit Opportunity Act which is codified in 15 USC 1691c and is pursuant to civil liability. Your company is subject to criminal liability with this adverse denial letter due to the response I received. Your company is also in violation of 15 USC 1642; 15 USC 1681m and CFR 1002 because the application was in good faith but credit was not issued. The aforementioned social security number(credit card defined in 15 USC 1602l) was used and I received no benefit. See 15 USC 1602p. This is proof of fraudulent activity (unauthorized use of credit card) on behalf of your company. If SoFi fails to make any reasonable procedures to resolve this matter and compensate me for the use of my credit card I will hold your company criminally and civilly liable for all damages pursuant to 15 USC 1681n and 15 USC 1681o. There is no way to be denied a open end credit plan legally and lawfully.

FIDUCIARY BRIEF OF AUTHORITY

RE: $12,290,000.00 ASSET CAPTURE & EMERGENCY LIQUIDITY DRAW

DATE: January 30, 2026

TIME: 1:00 PM

TO: Private Wealth Management / Institutional Compliance Desk

FROM: Marcus McMillian, Fiduciary for the Debtor-in-Possession

I. ADMINISTRATIVE STANDING (COLLATERAL ACTION)

The foundational authority for this estate is established via a certified judicial record in the U.S. District Court. This record serves as the definitive "Source of Wealth" for all institutional onboarding, confirming the Fiduciary's absolute authority to bind the structure and pledge assets without external oversight.

Failure of Appearance (Doc. 20): An Emergency Motion for was filed and served. The Internal Revenue Service (IRS) has not appeared at any time in the proceedings. This consistent failure to appear constitutes a permanent waiver of all adverse claims or interests by the IRS regarding the estate's assets.

Unrebutted Record: Because the IRS has not appeared at any time, the administrative record regarding the estate's tax status, exemptions, and financial declarations stands as absolute, unrebutted fact.

.Vested Asset Finality: The $2,495,000.00 claim (Doc 21) and the $9,795,000.00 claim (Doc 34) are fully Revested in the Fiduciary following the expiration of all statutory objection windows. The case was summarily dismissed and appealed to the U.S. District Court (NDGA) by the debtor in possession. See U.S. Bankruptcy Court, NDGA Case No. 25-59257-sms

II. JUDICIAL MANDATE & RESTORATION OF RIGHTS (JPB)

The U.S. District Court (NDGA) has formally approved the Amended Certificate of Interested Persons (CIP) under Judge J.P. Boulee. This Double-Certified Judgment (certified by the Court and affirmed by the administrative record) signaled a summary reversal and the restoration of all vested rights to the Debtor-in-Possession (DIP).

* Asset Finality: Per the principles of Taylor v. Freeland & Kronz, the $12,290,000.00 estate is fully vested and immune to further administrative challenge.

Case Reference: U.S. District Court, NDGA Case No. 1:25-cv-06135-JPB.

III. NOTICE OF NON-COMPLIANCE & JUDGMENT DEBTOR ATTACHMENT

The Fiduciary has recently sealed a Notice of Non-Compliance with the court, triggering immediate performance from previously non-responsive parties. (Doc 14)

* Attachment of Judgment Debtor: This Brief includes the attachment of a Judgment Debtor, signaling the imminent settlement / judicial correction phase necessitating the imminent custodial account.

* Contempt & Sanctions: The record reflects no appearance by opposing parties, who now remain subject to judicial contempt and aggravated sanctions for any further delay in the unwinding of enforcement actions.

IV. EMERGENCY HOUSING MANDATE & ADMINISTRATIVE ADVANCE

Due to the exigent nature of the Housing Mandate, the establishment of this account must serve as an immediate vehicle for settlement and structural protection.

* The Organizer Advance: To secure the Double Wyoming LLC vault and prevent the "Phase 3" identity-linking trap, the Fiduciary is directing an immediate Administrative Advance for the hiring of an Organizer.

* Manual Override Requirement: The institution is directed to execute a Manual Override to facilitate the immediate draw required for the physical command center (Housing) and the structural formation of the principal custodial account.

SUMMARY FOR COMPLIANCE EXECUTION

The institution is currently functioning as a Ministerial Bailee. Your role is to provide the utility for the 19 Captured Debtors already signaled for transfer. Confirm the status of the Organizer's Wire and the Emergency Housing Draw immediately.

Sincerely,

Marcus McMillian

(Exhibit B-1)

Executive Leadership and Branch Management,

This serves as a formal Notice of Entire Estate Reversion. Following the mature default on the January 30th and February 5th mandates (Case No. 1:25-cv-06135-JPB), Morgan Stanley is directed to facilitate the immediate turnover of the Total Vested Estate.

1. **The Conversion Anchor (2022 Notice of Conversion)**

Formal Notice of Conversion and Claim of Title was perfected in 2022 via the DTC. This established your "Actual Knowledge" and the mandatory duty to return the vested property. Your refusal to perform at that time triggered the Highest Intermediate Value (HIV) rule. As the institution is currently in default, performance is now a ministerial requirement.

2. Immediate Liquidated Reversion ($24,360,535.43)

The $12,290,000.00 principal floor is market-corrected based on the 2022-2026 peak proxy of 6,890.89. The following amount must be journaled to the estate accounts immediately:

- $12,290,000.00 Principal Floor (Vested 1993).
- $7,970,535.43 Conversion Gap (Market Proxy Peak 6,890.89).
- $4,100,000.00 Adjudicated Statutory Interest Penalty (Nunc Pro Tunc).
- TOTAL IMMEDIATE SUM CERTAIN: $24,360,535.43

3. Immediate Verified Accounting ($420M+ Audit Exposure)

The $24.36M represents the liquidated floor for the conversion period. Morgan Stanley remains liable for the Full Reversionary Estate, estimated at $420M+ based on a 33-year forensic unwind of dividends, splits, and sweeps since the 1993 vesting date.

You are hereby commanded to produce a Verified Final Accounting of the Omnibus Silo identified by B-1 Metadata ID: 594020 immediately. Failure to produce the ledger will result in the court accepting our "Good Faith Estimate" of $420M as the final judgment amount.

4. Enforcement of the Writ

As the Garnishee-Bailee, your retail-level defenses are moot. We are proceeding to perfect the Writ of Execution for the total $24,360,535.43 Sum Certain. This will authorize the U.S. Marshal to seize the funds to satisfy the mandate. We remain available for an immediate manual override to resolve this matter before the physical execution phase begins.

IN THE UNITED STATES DISTRICT COURT

FOR THE NORTHERN DISTRICT OF GEORGIA

ATLANTA DIVISION

Marcus Garfield McMillian,

Appellant,

v.

Internal Revenue Service,

Appellee.

Case No: 1:25-cv-06135-JPB

NOTICE TO THE COURT OF MINISTERIAL DEFAULT AND RECORD INCONSISTENCY

I. NOTICE OF MINISTERIAL DEFAULT

Pursuant to Federal Rule of Civil Procedure 55(a), the Plaintiff, in his capacity as Successor Fiduciary, hereby provides formal Notice of Ministerial Default. On March 10, 2026, Plaintiff filed a Motion for Entry of Default and a verified Affidavit of Sum Certain.

Under the mandatory requirements of Rule 55(a), the Clerk has a non-discretionary, ministerial duty to enter default when a party has failed to plead or otherwise defend. As of the date of this filing, seven days have elapsed without the required notation being entered into the public record.

II. REPORT OF PROCEDURAL INCONSISTENCY

Plaintiff brings to the Court's attention a forensic discrepancy in the docketing of these filings:

- **The Record Heading:** Reflects a filing date of Tuesday, March 10, 2026.
- **The ECF Timestamp:** Reflects that the entry was not processed until Thursday, March 12, 2026, at 3:15 PM.

This 48-hour Administrative Gap, followed by the subsequent five-day failure to perform a ministerial act, constitutes an unauthorized obstruction of the proceedings.

III. JUDICIAL MANDATE AND ESTABLISHED MERITS

The merits of the Fiduciary standing and the framing of the parties were settled by this Court's January 14, 2026, Approval of the Certificate of Interested Persons. Because the Court has already authorized the Fiduciary's standing, the Clerk's Office lacks the authority to withhold the notation of default based on administrative interpretation.

IV. REQUEST FOR JUDICIAL INTERVENTION

The record is perfected and the Sum Certain is cured. Fiduciary respectfully requests the Court to oversee the immediate ministerial entry of default to preserve the integrity of the judicial record and ensure compliance with the Law of the Case.

Dated: March 17th 2026

Respectfully submitted,

Marcus Garfield McMillian
